

Pre-Authorized Contribution (PAC) Form

For setting up pre-authorized withdrawals from your chequing account.

Make your regular monthly gifts easier.

Youth, students and graduates are the next generation of Kingdom leaders. You can make a difference in their lives with your strategic monthly gifts.

InterVarsity is active on university and college campuses and in high schools across Canada. Through our camping ministry we connect with thousands of children, teens and young adults every year. InterVarsity's Pre-Authorized Contribution (PAC) plan makes it easier for you to partner with us in God's work of transforming students, alumni and faculty.

Monthly PAC gifts are convenient for you since they:

- save the time and expense of writing and mailing cheques each month
- ensure that your gift will reach InterVarsity even when you are away on vacation or business
- transfer your gift directly from your bank account or charge it to your preferred credit card
- result in a single receipt in time for your income-tax filing

Your partnership in ministry through a monthly gift to InterVarsity is more significant than you might think. Your monthly gifts are a wonderful encouragement to our ministry; since it costs us less to process Pre-Authorized Contributions, your money goes further!
